460	Ich bin nicht wirklich interessiert mitzuarbeiten.
461	tratando de resolver problemas tambien se aprende
494	Translation
499	There seems to be a disconnect between the needs of the average user and the documentation available to them. We promote open s/w, but it's not easy if people can't quickly get the answers they need to perform their tasks. Also struggling against misinformation, as evidenced by recent dialogue about LO/OO usage for writers.
535	Ik tracht mensen te motiveren om het te gebruiken
537	zinnvolle tijdsbesteding
547	nee
554	combinatie van 1e en 4e item
578	Ik draag graag uit aan leeftijdgenoten (65+) dat LO een prima vervanger voor dure producten is

584	Ik heb iets tegen het (oude) monopolie van Microsoft
596	wegens tijdsgebrek lukt dit niet
598	alle delen van het project leren kennen
608	add skills to my resume
617	door te helpen leer ik ook veel
634	credo nelle enormi potenzialità del software libero
661	I want to make LO my tool in work
662	weinig tijd ben mantelzorger
665	Penso che sia il modo giusto per sviluppare prodotti interessanti senza pensare esclusivamente al solo aspetto commerciale o al ritorno economico
676	Aider la communauté, si elle daigne accepter...
679	ik maak wat ik nodig heb en als ik denk dat een ander daar ook iets aan kan hebben wil ik het wel omwerken naar LO format
693	Mijn kennis door geven aan nieuwe gebruikers
696	perche lo promuovo a lavoro e a casa come strumento di tutti e per tutti standard e funzionante
707	Lo uso, quindi contribuisco alla sua diffusione scambiando file ODT
